**T**his step-by-step course offers important skills for any area of life and living as well as a rigorous grounding for any psycho-spiritual work. Unfoldment enhances knowledge of self, understanding and working with different levels of subtle energies. Contents include: Experiential exercises for enhancing intuition, and techniques for optimum use of energies to promote well-being, raising consciousness and attunement to spiritual forces.

Julie is a sensitive, teacher and author of nine published books and has worked in the field of psycho-spiritual studies, for thirty years. In 1996 Julie founded the School of Insight and Intuition in London where she created the accredited 'Psycho-spiritual Unfoldment Programme', this has been implemented in colleges and universities around the UK and internationally.
